

# 2018 Vancouver Island Gemboree, hosted by Victoria Lapidary

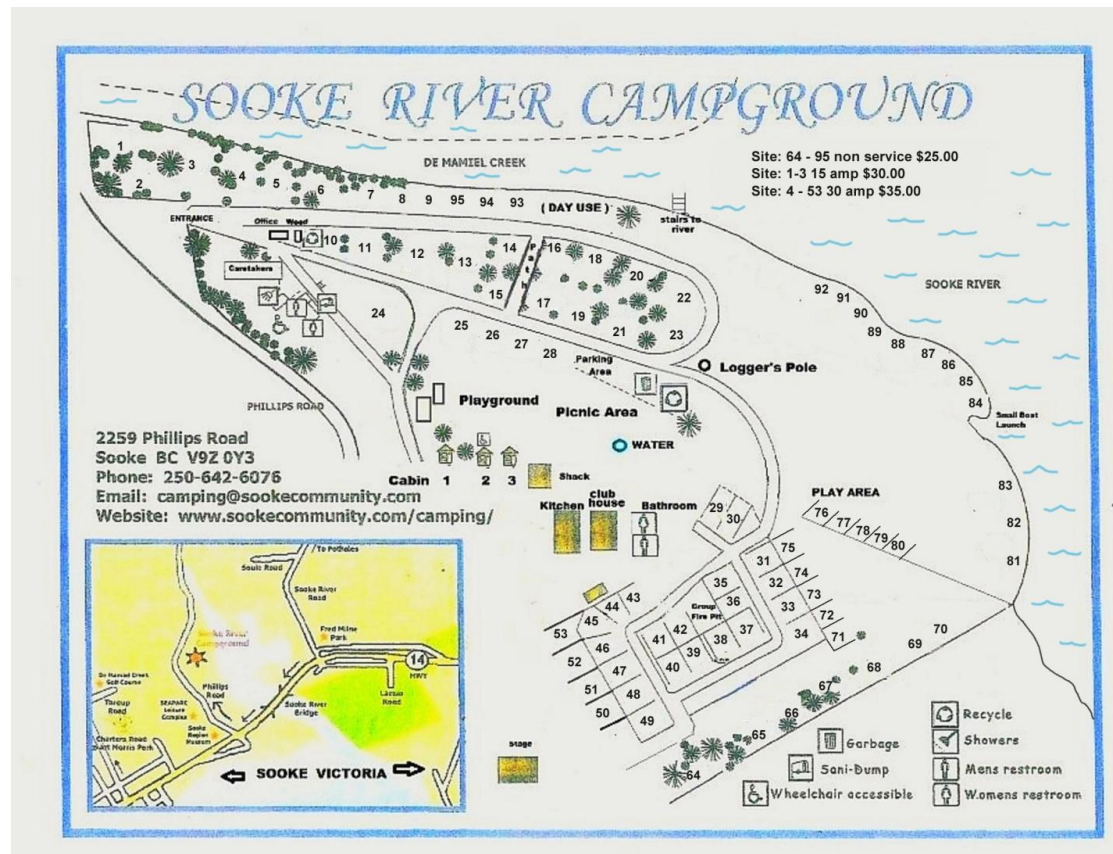

Victoria Lapidary and Mineral Society (VLMS) is glad to host the 2018 Gemboree with our base at Sooke River Campground. Sooke River is known to show gold. Panning in the off times is available at the campsite. We have many activities planned for the Friday and Saturday. The westcoast is abundant in all 3 rock types. The coast is mainly volcanic, sedimentary pockets host fossils and the metamorphic have working marble and slate claims.

When: July 26<sup>th</sup>-29<sup>th</sup>, 2018

Where: Sooke Campground. VLMS has reserved camp site # 29-70 for our Gemboree. Camping is a personal responsibility of the participants to be arranged through the campground directly, tenting, dry RV and RV with hook ups are available.
